New Hampshire Housing offers several rental assistance programs to eligible low- and moderate-income persons and families.

Section 8 Housing Choice Voucher Program provides safe, decent, sanitary and affordable housing to very low-income households. Through the program, a qualified household pays a portion of their adjusted income towards rent and utilities, and New Hampshire Housing pays the remainder directly to the landlord.

The Mainstream Housing Choice Voucher Program provides rental assistance to very low-income non-elderly (younger than age 62) persons with disabilities.

ACCESS – a Housing Choice Voucher (HCV) Program provides rental assistance to very low-income non-elderly (younger than age 62) persons with disabilities currently living in an assisted living or nursing home.

Directory of Assisted Housing contains properties with federally-funded rent subsidies for low-income families and seniors. It is updated on a regular basis by New Hampshire Housing Finance Authority to provide consumers, housing interest groups, and others with a guide to rent-assisted housing facilities throughout the State. The publication is organized by county and community.

The Emergency Housing Program helps households in imminent danger of eviction due to financial difficulty with short-term assistance when municipalities are unable to offer assistance.
